LB 85

because we can always modify the regulations if they need to be. But what we're doing is if we adopt LB 85E the way it is, we're just simply banning the opportunity for such a facility. And if so, that's just what we should do is pass a ban and be done with it. So thank you.

PRESIDENT MAURSTAD: Thank you, Senator Bromm. Senator Beutler, on the motion to return LB 85 to Select File. Excuse me. Sorry, Senator Beutler. We have a motion on the desk.

CLERK: Senator Wickersham, I understand you want to withdraw yours.

PRESIDENT MAURSTAD: Senator Wickersham. The amendment is withdrawn.

CLERK: Mr. President, Senator Quandahl would move to return LB 85 to Select File for purposes of attaching AM2213. (Legislative Journal pages 2329-2333.)

PRESIDENT MAURSTAD: Senator Quandahl, you're recognized to open.

SENATOR QUANDAH: That's correct. And this is the same amendment that we talked about the other day that Senator Wickersham did offer. And it's available on your machines, AM2213 under considered amendments. And so it's the exact same amendment that Senator Wickersham offered the other day. I would merely make the same argument that I made previously with my amendment that we return this matter to amend specifically with Senator Wickersham's which I believe addresses the problems that we talked about and that could also then allow the bill to move forward. So with that, I would urge the body to return it to amend it with AM2213. Thank you.

PRESIDENT MAURSTAD: Thank you, Senator Quandahl. Senator Beutler, on the motion to return LB 85 to Select File for a specific amendment.

SENATOR BEUTLER: Mr. President, members of the Legislature, it seems like we're covering old ground again. But let me talk a
